

Watercolour Bootcamp

with Susie Murphie

26 & 27 April - 9.30 - 4.00pm

\$250 BDAS Members \$300 Non Members

Immerse yourself in this 2 day workshop exploring the beautiful, fluid and transparent medium of watercolour. This is a fun and loose workshop that teaches you how to get the best out of using watercolour in a very immediate, free and minimal way to create impact and capture the essence of the subject. Susie will teach her students how to use a limited palette of specific colours that are brilliantly balanced, transparent and that can be used to create dozens of more amazing colours. She will also focus on mixing paint with subtlety and more importantly, how to know the tone of the paint before you put it on paper without layering.

Over the course of the weekend the class will paint a variety of different subjects from flowers and still-life compositions to landscapes and portraits. The exercises are simplified to suit painters of all abilities and experience. Susie has assured us that all of her students will be amazed with their results.
