*This 2 day workshop will suit students who have been exposed to the medium of watercolour and want to extend their knowledge to the next level. We will paint 2 paintings a day from start to finish; each painting chosen to demonstrate a certain technique or key learning point.*

**If you enjoy the challenge of producing loose and bold watercolours then this workshop is for you. Chan is well known for his generosity in sharing his insights and experiences in watercolour. There will be many demonstrations showing you how to create depth, incorporate figures, connect shapes, edge control and how to exploit the medium in creating magical effects.
