

Expressive Landscapes in Watercolour

Workshop with Julie Simmons

An exciting & energising two days of watercolour with Julie Simmons

22 & 23 March 2025

Workshop time: 9am – 4pm

\$230 BDAS Members \$280: non-members

This watercolour workshop is designed to take the participant out of their traditional practice and to feel the energy when painting intuitively and instinctively.

We will be focusing on landscape paintings using broad brushstrokes and lots of bravura in our processes. I don't want participants to feel intimidated but we will be doing a full sheet work each day.

This workshop is about exploring the versatility of the medium in all it's wonderful transparency. It will be full of new experiences and discovery for what one can achieve when they just go for it.

I look forward to sharing my learned skills with you.
